In keeping with Alabama's statewide mandate, please wear a face mask when you are not able to maintain six feet of distance from those outside your household, like when you are coming, going, or moving around in rehearsals and services. If you have any symptoms of illness, do not attend. Many will also choose to wear a mask during rehearsals or services. Enhanced facility cleaning, expanded air filtration, increased venue size, and other mitigation strategies have been implemented to provide a safe environment for music-making.
