Luke 17:11-19

Our Bible tells us about **10** men who were very sick. They had terrible sore places all over their bodies. They were so sick they couldn’t live with their families. They were so sick they couldn’t talk with their friends. They were so sick no one would let them come near because no one wanted to catch their disease.

Then one day, they heard about Jesus. Jesus walked from town to town telling people about God and helping people. The 10 men heard that Jesus was coming to their town!

The sick men must have **talked** excitedly. They said, “Maybe Jesus will help us!” They stood far back from the road and watched for Jesus. There He was! The men began to shout, “Jesus! Jesus! Please help us!”

Jesus loves everyone and He loved these sick men. Jesus wanted to make them well. “Go and show the Temple leader that you are now well,” He told them.

The 10 men didn’t feel well, and they didn’t look well. Still, they did what Jesus had told them. As the 10 men **walked**, suddenly they were made well! They were no longer sick! The sores on their arms and legs were gone. Now they would be able to live with their families and talk with their friends.

One man remembered that it was Jesus who had made them well. He stopped walking. *I must go back and thank Jesus for making me well*, the man must have thought. He began to run back to where Jesus was. He could hardly wait to see Jesus!

When he saw Jesus, he knelt down in front of Jesus and shouted, “Thank You, Jesus, for making me well!”

When Jesus made these men well, only one man thanked Him. Draw a ○ around the man who thanked Jesus:

1. His arms are above his head.
2. He is wearing sandals.
3. He is smiling.

We can thank Jesus, too. The Bible says, "I will give thanks to the Lord." Psalm 7:17

Jesus healed 10 men. How many men are in this picture? _____
 How many more men do you need to add to show all the men Jesus healed? _____
