SERMON TITLE: Undivided Obedience ([Luke 9:23-25](#))

This week, Michael Kelley, our DNOW Guest Speaker, shared what obedience to Jesus should look like in every area of our lives.

- Michael Kelley noted in Luke 9:23 that Jesus' teaching was intended for all people. When have you felt unqualified for or exempt from (*too old, too poor, uneducated, etc.*) something Jesus taught?
- What would change if you removed Jesus from the top of your "priority list" and placed him at the center of your life and activities?
- Have you missed some of the small things God has for you because you have been focusing on the big things you want to do for God? What keeps you from being obedient in these small things?
