**God's Word To The Lifestyles of the Rich and Famous**  
**James 5:1-7**

This week, Pastor David walked us through James 5:1-7 and spoke to us about the way(s) we steward the money and possessions God has given us. Reread these verses as you consider the questions below.

- Describe your thoughts/emotions as you read these verses.
- Who was James' audience in this passage?
- Think about your own finances. Are you generously contributing to God's work? OR are you living with "closed hands"?
- Where is there margin in your finances for God to work in unexpected ways?

This week, repent of your resemblance to those that don't use their finances as God intends. Then, commit to learning more about how your spending affects specific people and communities.
