

God Made Day and Night

Bible Phrase: God made the sun, moon, and stars.
Genesis 1:16

Scripture Reference: *Genesis 1:1-8, 14-19*

Bible Story: A long time ago, before there was anything else in the world, there was God. There were no people, no trees, no food, no sun, and no animals. Darkness was everywhere. There was nothing except God.

God had a wonderful plan to make the world. The Bible tells us that God said, "Let there be light"; and suddenly there was light. God saw that the light was good. Now there was light and darkness. God called the light *day*, and He called the darkness *night*. God made daytime and nighttime.

God made the beautiful sky. Sometimes the sky is blue. Sometimes the sky is gray. Other times the sky may be pink or orange. God made the bright, warm sun to shine in the daytime. God made the moon to shine softly at night. God made many twinkling stars to shine with the moon in the nighttime sky.

God saw the sun, moon, and stars that He had made. God thought it was all very good.

Parents:

- On a clear night, take your preschooler outside to look at the moon and stars. Talk about how God made the moon and stars to shine at night.
- Pray with your child, thanking God for making the moon and stars.

Color the Sky

God made the beautiful daytime and nighttime sky. What is your favorite time to look at the sky? What colors do you see in the sky then? Draw a picture of the sky. Count the stars in the picture frame.

God made the sun, moon, and stars.

Genesis 1:16
