

## **Dawson Preschool Ministry Reopening Plan, Fall 2020**

### **Dawson Preschool Families and Leadership-**

Our DPM Staff and I are excited to offer preschool programming this Fall! We appreciate the willingness of many of our caring volunteers to return to their important roles of sharing God's love and Word with preschoolers on Sunday mornings. Just as before, while attending preschool life groups at Dawson, our infants will receive safe, loving care. Our preschoolers will enjoy a Bible story, craft, snack, play, and praise time. Our schedule and expectations will look a little different, so hopefully this document will be helpful for safely navigating on campus preschool life groups.

We trust that each family will make the best decision about when to return to on-campus programming. In addition to Sunday life groups, we will continue to offer DPM Worship Videos and resources on the Dawson Preschool Ministry website and the Dawson app for the foreseeable future.

#### **Expectations for DPM Leadership**
