John 4:46-53

The Bible tells about a boy who was very **sick**. He was hot with fever. His father must have done all he could to take good care of his sick boy. But the little boy did not get better. He was still very, very sick.

How sad I am! thought the little boy’s father. *My son is so sick.* The father wanted to help his sick son. Then he remembered that a man named Jesus made sick people well. *I must find Jesus. He can make my son well,* the father thought. And off he went to find Jesus.

The father walked and he walked and he walked some more. Finally he reached the town where Jesus was. Many people were **listening** to Jesus. The father ran up to Jesus. “I have been looking for you, Jesus. You must come to my town!” he cried. “My son is very sick. Please come, or he will die.”

Jesus loved the man and He loved the man’s son. “You may go home,” Jesus said. “Your son will live.” The man believed Jesus’ words. He knew that Jesus’ words were true.

The father began to **walk** home. He was glad his son would be well.

While he was walking, he saw some people coming toward him. As the people got closer, the father could see they were his helpers from home.

“Sir, your son is well!” they told him. “He will live!”

The father said, “Jesus made him well.”

The man and his helpers were very happy. They were thankful for Jesus’ **love**.

A man asked Jesus to make his son well.
 Help the man get back home to see his son.

Jesus loved the man and his son. Jesus loves and teaches us about God's love, too. The Bible says, "Give thanks to the Lord. His love is forever." (See 1 Chronicles 16:34.)

The Bible says the son got better at the exact time Jesus said he would get better. What time do these clocks show?

Draw a clock that shows 3:00.
