## Tell the Story

Open your Bible to Genesis 25. Tell the story using the pictured motions (keywords in bold) or show Bible Story 1 pictures.

**What are some things your family likes to do? Listen to a story about a family with a dad, a mom and two brothers.**

Isaac was a man who loved God. Isaac married a lady named Rebekah. For a long time, they had no children. Isaac **prayed** to God. He asked God to give him children.

God answered Isaac's prayer. God told Rebekah she was soon going to have twin **babies**. Isaac and Rebekah were going to have TWO babies!

Finally it was time for the babies to be born. The twins were both boys, but they were different. The older baby was very red. He had lots of hair. His name was Esau.

The other baby was named Jacob. He had smooth skin. He didn't have a lot of hair. These boys were VERY different from each other.

As Esau and Jacob grew up, they still were very different. They looked different from each other. They acted differently from each other.

Esau became a good **hunter**. Using a bow and arrow, he was able to find food for his family to eat. Esau liked to be outdoors. Isaac was very proud of his big, strong son, Esau.

Jacob liked to stay home in the tents where his family lived. He liked to **cook** good food for his family. His mother, Rebekah, was very proud of her quiet, helpful son, Jacob.

Isaac and Rebekah were very happy that God gave them two sons to love.

Cut apart the squares.  
Then put them together to make a picture of 2 brothers, Jacob and Esau.

God made the people in our families.  
God wants us to love each other.  
Our Bible says, "Let us love one another" (1 John 4:7).

Glue the finished picture to a sheet of paper.
