**What are the names of some of your friends? Listen to hear what happened to three friends.**

Daniel and his three friends worked for King Nebuchadnezzar of Babylon. One day, the king decided to make a big statue covered with shiny gold. It was a statue of himself. The statue was set up in a place where everyone could come and see it.

The king's messenger told the people, "When the music plays, **bow** down and pray to this statue. If you do not bow down, you will be thrown in a furnace and be burned up!"

But Daniel's three friends would not **pray** to a big statue. They would only pray to God! The music began to play. Everyone else bowed down low, but the three friends did not bow down. They stood tall. When King Nebuchadnezzar heard that they had not bowed to his statue, he was angry! The three friends were brought to the king. The king roared, "If you don't bow NOW, you'll be thrown into the furnace!"

The three friends said, "O king, our God is able to save us from the fire." That made the king really angry!

The soldiers tied up the friends. They threw the three men into the middle of the hot flames. Then the king **looked** in the furnace. He saw the three friends walking in the middle of the hot, hot fire. And there was someone else in there, too. It was an angel God sent to keep the three friends safe.

King Nebuchadnezzar was so surprised! Quickly, he shouted for the men to **come out** of the fire. When the three friends came out of the furnace, everyone crowded around to look at them. The friends were not burned at all. They didn't even smell like smoke! God had kept them safe, even in the fire. King Nebuchadnezzar knew God had kept the men safe, so he praised the one true God.
