

CELEBRATE

KID LIFE 2020

dawson kids **WORSHIP** and **CREATE** supply list

The only MUST HAVE supply for dawson kids WORSHIP is a BEACH BALL which you can find at the Dollar Store, if you did not get one at the KidLife KickOff Drive Thru!!

Our team has taken time to come up with some fun ways to be creative with minimal supplies. We're hoping you can find what you need in your recycle bin or garage. These supplies listed below are just SUGGESTED things that you could use for our CREATE activities.

- cardboard box
- poster board
- paper
- stones
- tape
- scissors
- things to use to decorate (crayons, markers, stickers, paint, etc.)

One of our activities will be to make cookies for a friend or neighbor, and another will be tie a fleece blanket to donate to Kids Connection. Those supplies can be up to you, and however you want to do that as a family. The fleece we used was 60"x48".

The CREATE activities are designed to share God's love through our crafts! Some of them will be items that you can donate.

You can complete your donation activities at any time and you can drop off those donations every Friday in June 2020 from 12-1 at Dawson.
