

People Found a Lost Bible Scroll

Bible Phrase: God gave us the Bible. 2 Timothy 3:16

Scripture Reference: 2 Kings 22:1-20; 23:1-3

Bible Story: The temple (church) needed to be cleaned and repaired. The people had stopped going to the temple to pray and thank God. They had not heard anyone read from the Bible scroll.

King Josiah decided to do something. He told one of his helpers, "Tell Hilkiah (hil KIGH uh) to count the money that the people brought to the temple a long time ago. Tell him to give the money to carpenters, builders, and other workers to repair the temple."

While the workers were working, they found a Bible scroll. Hilkiah gave the scroll to one of the king's helpers. The helper hurried to show the king. The king's helper knew the Bible scroll was a special and important book. He read some of the words from the Bible scroll. When King Josiah heard the words, he was upset. He knew they had not been doing what the Bible scroll said. "We have not been doing what God wants us to do," the king said.

King Josiah called all the people together in the temple. He read the Bible scroll to the people. Then King Josiah and the people told God they would do what God wanted them to do. King Josiah and the people were glad they had found the Bible scroll.

Parents:

- As you and your child handle the Bible, talk about how the Bible is special and the most important book of all.
- Pray together, saying: "Thank You, God, for giving us the Bible."
