

# God Made People

**Bible Phrase:** God made people. Genesis 1:27

**Scripture Reference:** Genesis 1:26-31; 2:7, 15-24; 4:1-2

**Bible Story:** God had made a beautiful, wonderful world! He made daytime and nighttime. God made water, plants, trees, and grass. God made all kinds of fish, birds, and animals. But God knew there was one thing the world still needed. God knew the world needed people. God said, "People will be more important than the birds, fish, and animals."

First, God made a man. God named the man Adam. God had made a beautiful garden where Adam could live. God told Adam to take care of the trees and plants in the garden.

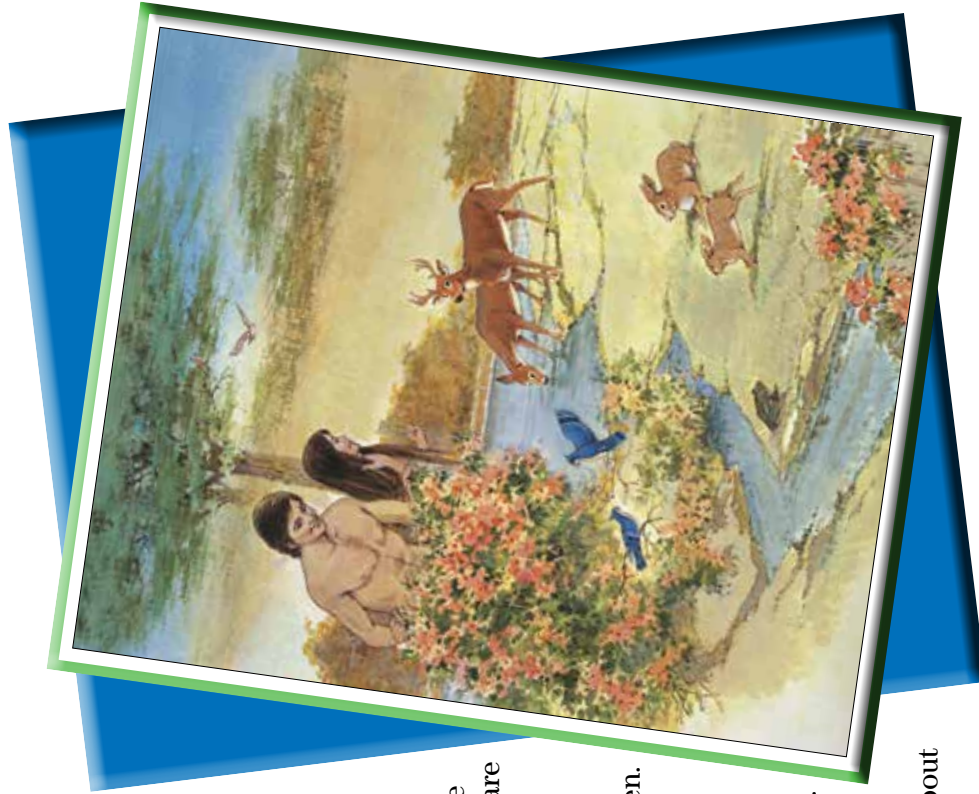

God did not want Adam to be alone. So God made a woman to be Adam's special helper. Adam named the woman Eve.

Adam and Eve were the first family. They were happy in the garden. They worked in the garden taking care of the plants and animals.

Later God planned for Adam and Eve to have children in their family. First, they had a baby boy. Adam and Eve named him Cain. Later they had another son and named him Abel. Now there were four people in the first family. God loved Adam, Eve, Cain, and Abel.

## Parents:

- Spend some time with your child looking at family photos. Talk about how God made people to live in families.
- Pray together, thanking God for the different people in your family.

# Find the First Family

How many people were in the first family in our Bible story? Draw a circle around each person from the first family. Count all of the moms. Count all of the dads. Count all of the children.
